

This is our Covid Protocol so that we can stay as safe as possible.

1. Everyone entering the property will have a Covid Screening by the Covid Officer on duty for that week (this will rotate among staff). The Screening involves having your temperature taken and answer some questions. Only persons not displaying symptoms will be admitted into the building.

2. Social distancing will be observed.

- a. Students will sit two to a table, one at each end, 1.5m apart.

- b. Chairs are otherwise placed apart around the workshop

3. Masks will be compulsory, but we ask that they are washed daily at home.

4. Hand washing and sanitizing is compulsory and is encouraged each time the student leaves or returns to the workshop.

Paper towels are used for hand drying except for some students who have a towel as they wash often. The towels are each a different colour.

5. Teas and lunches will be staggered so that there is no crowding.

SOCIAL DISTANCING

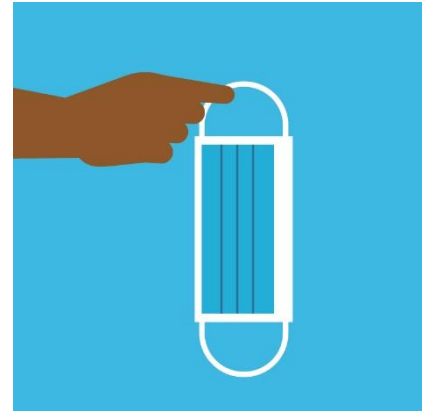

FOLLOW THESE GUIDELINES TO PROPERLY WEAR YOUR FACE MASK

Wash your hands before and after touching the mask.

Touch only the bands or ties when putting on and taking off your mask.

Make sure the mask fits to cover your nose, mouth and chin. If you adjust the mask to cover those areas, wash your hands before and after.

Make sure you can breathe and talk comfortably through your mask.

Wash reusable masks after each use. If the mask is disposable, discard it when visibly soiled or damaged.

TO PROTECT YOURSELF AND OTHERS, AVOID THESE COMMON MASK-WEARING MISTAKES

Don't touch your or your child's mask while it is being worn.

Don't wear the mask under your chin with your nose and mouth exposed.

Don't leave your nose or mouth uncovered.

Don't remove the mask while around others in public.

Don't share your mask with family members or friends.
